HISTORICAL SKETCH

The history of the present University of Maryland practically combines that of two institutions. It begins with the chartering of the College of Medicine of Maryland in Baltimore in 1807, which graduated its first class in 1810. In 1812 the institution was empowered to annex other departments, and by the same act was constituted a University by name and became the University of Maryland.

For more than a century the University of Maryland stood almost as organized in 1812, until an act of the Legislature in 1920 merged it with the Maryland State College and changed the name of the Maryland State College to the University of Maryland.

The Maryland State College first was chartered in 1856 under the name of the Maryland Agricultural College, the second agricultural school in the Western Hemisphere. In 1862 Congress passed the Land Grant Act and the Maryland Agricultural College was named the beneficiary of the grant in Maryland. Thus, the college became, at least in part, a State institution. In the Fall of 1914 its control was taken over entirely by the State. In 1916 the Legislature granted a new charter to the College, and made at the Maryland State College.

FOREWORD

In presenting this, the first All-College Park Student Handbook, we feel that we are helping to reflect the ever growing opinion, that this branch of the University is taking its place among similar institutional units. It is farthest from our wishes that we should draw away from our Baltimore colleagues; our chief aim is to provide suitable means for both branches to express individuality.

As the undergraduate division, it is only natural that our activities—social, athletic, and scholastic—should trend themselves along somewhat different—although not radically different—lines from our professional fellow-students. The Handbook, as a condensed mirror of local student life, is the logical medium for brief explanations of campus tradition and affairs.

Each scholastic unit encounters needs and problems of its own; hence the reason for individual treatment. We trust that the increased local color will prove commensurate with the cosmopolitan aspect of preceding Maryland Handbooks.

It is our sincere hope that this little volume will provide a foundation for later books incorporating numerous other features that are made prohibitive here because of limited space.

GREETINGS FROM THE PRESIDENT

TO THE STUDENTS OF THE
UNIVERSITY OF MARYLAND.

There is always a cordial welcome for new students entering our university. We are glad to have you with us and we want to help you in every way we can to accomplish the high purposes that bring you here.

We always have in our student body representatives of all the important activities of the state. They come from the best homes, from the poorest homes, and most of them come from average homes.

On this campus any young man or woman is judged by what he or she is rather than by the place from which they come. Those who make a real effort to get ahead in their studies and who prove themselves to be good friends and companions are the ones who in the end will derive the greatest benefit from the university life. It is a privilege to be admitted to a university, and a very high privilege to make a valuable contribution to the university life.

Some new students need to be warned of the importance of keeping their work up to date. The most common cause of failure in college is letting the work get behind and thinking that it can be made up later. The later days always bring tasks enough without giving time to what should have been done before.

I am speaking for all of the members of our staff and for most of the older students when I say that we truly want to help the new students in every way we can. And this offer of assistance is extended also in behalf of the pastors of the local churches and officers of the several religious associations.

Sincerely yours,

R. A. PEARSON,
President.

YOUNG MEN'S CHRISTIAN ASSOCIATION

The Young Men's Christian Association at the University of Maryland operates independently of the other organizations. It is formed to aid persons in leading a Christian life and its purpose is as follows:

1. To lead students to faith in God through Jesus Christ.
2. To lead students into membership and service in the Christian Church.
3. To promote their growth in Christian faith and character, especially through the study of the Bible.
4. To challenge students to devote themselves in united effort with all Christians to making the Will of God effective in human society and to extending the Kingdom of God throughout the world.

In the past, the "Y" has had its support from the Board of Managers of the Y. M. C. A., but now the Board is discontinued and in its place is substituted the Supervisory Committee on Student Religious Activities. The Committee does not function solely with the "Y" as the Board formerly did, but instead, it extends a helping hand to campus religious organizations that desire its need. Through this committee, the "Y" will look for its aid indirectly.

The officers of this Committee are as follows:

- Dr. W. B. Kemp, Chairman.
- Dr. A. E. Zucker.
- Dr. H. J. Patterson.
- Dean A. Stamp.
- M. W. Grafflin.

Student Officers

President—William L. Lamar.

Vice-President—W. Gelston McNeil.

Secretary—Thomas Hughes.

Treasurer—Melvin Beachey.

The Young Men's Christian Association was reorganized in the Spring of 1924 to meet the demand felt by many students for a men's organization which would be able to assume the leadership for the religious life of all students. Programs are being planned and carried in response to whatever needs arise.

The Discussion Group this past year reached several hundred students, and the Freshman Conference at Camp Conoy was an effectual introduction into college life of those who attended. This forthcoming year the "Y" will present prominent speakers on its program as it has done in the past. The social side is to be stressed more than previously. Likewise we plan to work with and to co-operate with the "Y.W."

President Lamar has chosen his cabinet as follows:

Robert Simmons

John Schueler

Henry Whiteford

William Lucas

Gelston McNeil

Arthur Aholt

Thomas Hughes

Melvin Beachey

Lawrence Downey

Lloyd Groshon

Duncan Clark

Of special interest is the Sunday Evening Discussion Group, held under the direction of the Y.M. and Y.W., each week. Everyone is invited.

Various conferences are held during the year, including those at Western Maryland, Blue Ridge, Camp Conoy, and Eagles Mere.

REGULATION OF STUDENT ACTIVITIES

Association of students in organized bodies, for the purpose of carrying on voluntary student activities in orderly and productive ways, is recognized and encouraged. All organized student activities, except those which are controlled by a special board or faculty committee, are under the supervision of the Committee on Student Affairs, subject to the approval of the President. Such groups are formed only with the consent of the Committee on Student Affairs and the approval of the President. Without such consent and approval no student organization which in any way represents the University before the public, or which purports to be a University organization or organization of University students, may use the name of the University in connection with its own name, or in connection with its members as students.

Eligibility to Represent the University

Only students in good standing are eligible to represent the University in extra-curricular contests. No student while on probation may represent the University in such events as athletic contests, glee club concerts, dramatic performances and debates.

Discipline

In the government of the University, the President and faculty rely chiefly upon the sense of responsibility of the students. The student who pursues his studies diligently, attends classes regularly, lives honorably and maintains good behavior meets this responsibility. In the interest of the general welfare of the University, those who fail to maintain these standards are eliminated. Students are under the direct supervision of the University only when on the campus, but they are responsible to the University for their conduct wherever they may be.

Student Government

The General Students' Assembly is composed of all the students and is the instrument for student government. It operates under a constitution. Its officers are a President, Vice-President, Secretary, Treasurer, and an Executive Council representative of the various college classes.

This Assembly meets every second Wednesday at 11.20 o'clock in the Auditorium for the transaction of business which concerns the whole student body. On alternate Wednesdays a program is arranged by the officers with the aid of the Department of Public Speaking. The Students' Executive Council, with the aid of the Committee on Student Affairs, acting as an advisory board to the Council, performs the executive duties incident to managing student affairs.

Women Students' Government Association

Women Students' Government Association is an organization composed of all the women students, for the management of affairs concerning the coeds. It operates under a constitution. Its officers are a President, Vice-President, Secretary and an Executive Council. This Council has the advisory co-operation of the Dean of Women.

FRESHMAN PROCEDURE

Freshman registration will take place Monday, September 19, beginning at 9 A. M. All freshmen are expected to register on this day. Wednesday, September 21, is reserved for registering the students of the three upper classes, and freshmen will not be registered on this day.

Dormitories will be ready for occupancy by freshmen Sunday, September 23, and the dining hall will be ready to serve dinner to freshmen Sunday evening at 5.30.

A special program is planned covering the time between registration day, September 24, and the beginning of the instruction period, Thursday, September 27, the object of which is to complete the organization of freshmen so that they may begin their regular work promptly and effectively on September 27. This program includes classification of all freshmen students, medical examinations, psychological examinations, instruction in regard to the departmental and campus facilities and advisory conferences, conducted by the faculties of the several colleges for the students registered in those departments.

TIPS TO FRESHMEN

First of all, remember that you are a freshman. It is apparent at all times, and when you attempt to hide it the result is as prominent as a sore thumb.

Do not imagine that you are lowering yourself by observing the Freshman Regulations. They are to impress upon you the idea that you are no longer a high school senior. You are beginning again, and as such, you must start "on the ground floor." By disregarding the rules, you are not being unique, or admired for your spirit of independence. You are merely laying the foundation for trouble with the sophomores. It is considered a mark of good class spirit, not servility, to act in accordance with freshman tradition.

Get the speaking habit. A habitual cheery greeting to everyone on the campus will do more toward establishing your popularity than any other single act on your part.

If you were a leader in high school, don't advertise it here. In all probability it is known already. Conversely, if you took little part in student affairs in your prep school don't be discouraged. Everyone is given plenty of opportunity at Maryland. There is at least one activity here that is suited to your tastes and ability; find it and stick to it. Also, remember that everyone cannot be a star athlete. Do not skip around from one activity to another needlessly, but on the other hand, do not waste time on one for which you find yourself unqualified.

If you are living away from home don't forget that the folks like to receive a letter, now and then. Establish a certain day for doing this, and then let nothing interfere.

Remember that you are your own master now. You have reached the age when you can differentiate between right and wrong. Your conduct on and away from the campus reflects upon

the institution. In a large measure you have the good reputation of the University of Maryland in your hands. It remains for you to prove that this trust is not misplaced.

“By your works you shall be known.” Nowhere is this more true than on the university campus. Here at Maryland you cannot bask in the reflected glory of a prominent brother, father or other relative. Opportunities are yours; make the most of them.

Finally, be warned against trying to revolutionize the school in your first year. If you do not approve of the regulations the trouble is in your own disposition. They have not proved injurious to hundred of students who have preceded you. It is your traditional duty to obey the rules during your freshman period, before you are in a position to recommend changes.

UNIVERSITY REGULATIONS

Registration

1. Students should report to the Dean of the College in which they are registered, where they will receive a course card. New students must present a matriculation card. If this card has not been received by mail, arrangements for its issuance must be made in the Office of the Registrar, prior to reporting to the Dean.

2. The course card, properly made out and approved by the Dean, and a registration card obtained in the Office of the Registrar, will be presented at Window One in the Office of the Registrar and a bill for the semester's expenses will be issued.

3. This bill, together with the course card, will be taken to the Cashier's Office, where fees are paid and where the Cashier certifies upon the course card that payment has been made.

4. The course card is then taken to the Sectioning Committee, Room T-211, Administration Building, where section assignments are made.

5. About three hours later the student may obtain class cards in the Office of the Registrar, Window Two.

6. The student places his name, his college, and the date on the class cards and presents at the first meeting of each class the appropriate class card. Students are not admitted to classes without class cards. Instructors will see that this rule is enforced.

7. Within seven days after the opening of the semester, each student must file in the Office of the Registrar, a schedule of his classes. A fee of one dollar is imposed for failure to do this.

8. Students, who for adequate reasons, are more than ten days late in registering must secure permission for entrance into courses from the instructors in charge of the course. Such permission if given must be indicated on the course card. A fee of from \$3.00 to \$9.00 is imposed for late registration.

9. Any change of course is made only on written permission from the Dean involved and is subject to a fee of one dollar after the first week of the semester. After securing such permission from the Dean, the student must present the same to the Registrar at once, who, in turn, issues the student a class card for the course he is entering and withdrawal card is sent to the instructor in charge of the course from which the student is withdrawing. Unless this is done, no credit will be given for the new course, and a failure will be recorded for the course dropped. In general, withdrawal from courses other than elective, will not be granted after the first six weeks of the course.

10. A student who desires to transfer from one college to another must petition the Dean of the college from which he wishes to withdraw on the regular form obtained from the Registrar. The transfer is effected when the blank properly approved is filed in the Office of the Registrar.

Examinations and Marks

11. Examinations at the end of each semester complete the studies pursued to that point.

12. The following grade symbols are used:

A, *B*, *C*, and *D*—Passing.

E—Condition.

F—Failure.

I—Incomplete.

13. Grade *A* denotes superior scholarship; grade *B*, good scholarship; grade *C* fair scholarship; and grade *D*, poor but passing scholarship.

14. A student who receives the grade of *D* in more than one-fourth of the credits required for graduation must take additional courses or repeat courses until he has the required number of credits for a degree, three-fourths of which carry a grade above *D*.

15. A student with a mark of *E* is conditioned. The grade *E* indicates that though a student has not failed in a course, he has not

presented sufficient evidence to pass; in the opinion of the instructor his record in the course has been sufficiently good to justify the presumption that he may secure a passing grade by re-examination or by additional work without repeating the course. The grade *E* cannot be raised to a higher grade than *D*.

16. A student with a mark of *F* has failed in the course. In case of failure in a required course a student must repeat the course. He is required to enroll in that subject again the first time it is offered, if possible.

17. In case a condition or failure is incurred in an elective subject the student may be permitted to substitute only upon recommendation of the head of the Department in which the student is majoring and approval of the student's Dean.

18. The mark of *I* (incomplete) is given only to those students who have a proper excuse for not completing all the requirements of a course. The mark of *I* is not used to signify work of inferior quality. In cases where this grade is given, the students must complete the work assigned by the instructor by the end of the first semester in which that subject is again offered, or the mark becomes *F*.

19. Work of grade "D", or of any passing grade, cannot be raised to a higher grade except by repeating the course. A student who repeats a course for which he has received credit for work done at the University or elsewhere, must meet all the requirements of the course, including regular attendance, laboratory work and examinations. His final grade will be substituted for the grade already recorded, but he will not receive any additional credit for the course.

20. A student must arrange with his instructors at the beginning of a semester for the removal of conditions received in the previous semester. A fee of \$1.00 will be charged for each regular condition examination. No instructor will give a condition examination until a

student presents a receipt showing the fee has been paid. Following each condition examination the instructor will report the results to the Registrar.

21. A condition not removed within the succeeding semester becomes a failure.

22. A student transferring to another college will consult with his new Dean regarding the adjustment of his record. A record of this adjustment must be filed in the Registrar's Office.

Absences

23. A student is expected to attend punctually each class and laboratory exercise in each course.

24. In case of extended illness which prevents the attendance of a student at his classes he should promptly notify his Dean.

25. In case of absence 24 hours before or after a holiday, a student will be penalized by the payment of a special fee of three dollars for each course cut. Instructors will report such absences immediately to the office of the Registrar.

Probations and Delinquencies

26. If a student receives a mark of failure (*F*) in fifty per cent or more of the semester hours for which he is registered, he is automatically dropped from the rolls of the University.

27. A student who does not make a passing mark in at least eight hours of work in which he is enrolled for a given semester, may not continue for the next semester without the permission of his Dean. Where such permission is given the student is on probation, and remains on probation until his deficiencies are removed. A notice of his probationary status will be mailed to the student's parent or guardian.

28. A student while on probation shall not represent the University in any extra-curricular activity such as: participation in athletic con-

tests, the Glee Club, dramatics, debating teams, etc.

29. While on probation a student is required to report weekly to his Dean or faculty advisor with regard to his probationary status.

30. The Dean shall recommend to the President, the withdrawal of any student who, in the opinion of his college faculty, is deemed undesirable, or who continues to do unsatisfactory work.

31. Any student who has been dropped from the University or has withdrawn in order to avoid being dropped, and who is subsequently re-admitted, is not eligible to represent the University on any team, club, or association, until he has been in the University for a period of one semester from the date of his return and has satisfied the regular conditions of eligibility.

Withdrawal from the University

32. A student who desires to withdraw from the University must obtain the permission of his Dean on the regular form obtained from the Registrar and must have filled out a clearance slip. After these forms have been filled out they must be filed in the Office of the Registrar. A student who withdraws without following this procedure forfeits all claims for reimbursements, and is not entitled to a statement of honorable dismissal.

TRADITIONS

In the realization that the incoming freshmen do not understand the traditions established by previous classes, it is the purpose of these rules to assist the freshman in finding his place among the students, to instruct him in the spirit of the student body, and to teach him a fundamental lesson—discipline.

Freshmen are required to abide strictly by the following rules, which will be enforced by the student body through the Sophomore vigilance committee.

Freshman Regulations

The following is taken from the Constitution of the Student Assembly:

“Article V, Freshman Regulations. Section II. These Regulations shall be enforced by the entire Student Body through the Sophomore Committee on Freshman Regulations, i. e., penalties imposed by the Committee upon the complaint by an upper classman of an infraction of the Freshman Regulations.” Any Freshman who feels that he has been imposed upon by upper classmen shall have the opportunity to appeal to the Sophomore Committee on Freshman Regulations.

1. Freshmen must wear rat caps at all times when on campus.
2. Freshmen must not smoke on the campus.
3. Freshmen must keep hands out of their pockets.
4. Freshmen must not cut across campus and must use only cinder and cement paths.
5. Freshmen must refrain from wearing school insignia of any kind unless earned at this school.

6. Freshmen must enter and leave Administration Building by basement doors and must not loiter around front of the buildings.

7. Freshmen must not sit on stone wall along Washington-Baltimore Boulevard.

8. Freshmen must speak cheerfully to all members of the faculty, upper classmen, and members of their own class. The form of address shall be: for one person, "Sir"; for a number, "Gentlemen."

9. Freshmen must run all errands assigned to them by upper classmen and do all work assigned to them by Sophomore Committee on Freshmen Regulations.

10. Freshmen must work on athletic field when requested.

11. Freshmen must attend all meetings of the assembly (occupying front rows) and all cheer practices, and must learn all college yells and songs.

12. Freshmen must attend all games in a compact cheering section (no dates with girls at games).

13. Freshmen must work in DIAMONDBACK office each Tuesday throughout the year.

14. Freshmen must at all times carry an ample supply of matches.

15. Freshmen must conduct themselves in a gentleman-like manner at all times on and around the campus.

Dining Hall Courtesies

1. Freshmen must line up in twos on lower steps of dining hall.

2. Freshmen must fold their arms during announcements.

INFIRMARY RULES

1. All students paying the fixed University charges, who report at the Infirmary will be given medical attention, infirmary services and medicine, except for special conditions, such as major operations, eye, ear, nose work, etc.

2. Students residing on the campus, when too ill to report at the Infirmary in person, will be given treatment in their rooms, by the University Physician. Except in emergencies, such cases of illness should be reported during the usual hours at the Infirmary.

3. Students residing in fraternity, sorority, or boarding houses, adjacent to and approved by the University, will be treated by the University Physician the same as students living on the campus.

When practicable, sickness should be reported before 9 A. M., to the University Physician (Phone Berwyn 68), or the Infirmary (Berwyn 85M).

4. Students living at home, with relatives or guardians shall not be entitled to medical attention in their homes unless injured in some form of University activity.

5. Students residing in fraternity, sorority or boarding houses may, upon order of the University Physician, be cared for in the Infirmary. Such students shall pay the University an extra charge of \$1.00 per day to cover cost of food and service from the Dining Hall.

6. The University Physician will give medical supervision and treatment to employees (but not their families) of the University who work in the kitchen, dining hall, dormitories and dairy.

7. Members of the faculty, clerical force, and students not paying fixed charges shall not be entitled to free treatment or medical attention by the University Physician or nurse, or to have the use of the Infirmary.

GREETINGS FROM DEAN OF WOMEN

To those of you who have returned to carry on work already begun and to those new students, coming here for the first time, greetings and a hearty and cordial welcome. Friendship, sympathy and understanding await you here. An opportunity awaits you to serve your college community. For, the one who lives most fully during his four years in college takes part in the various activities on the campus. However, you must have a sense of values and choose wisely from the great number of organizations. Do not rush headlong into too many. Do a few things well, rather than many in a haphazard fashion. We offer to you our ideals of Maryland, our traditions and customs, and ask you to help us to perpetuate them.

Sincerely yours,

ADELE H. STAMP,
Dean of Women.

The W. A. A. since its organization in the fall of 1924, has satisfied a long-felt need of an organization for the promotion of organized athletics among the women students.

The Association has been very successful during its four years on the campus and has a very bright outlook. During the past year it put across successfully a Spring tennis tournament and an inter-class basketball series, and established interest in track practice. Because of cold weather the Fall tennis tournament was not completed. Swimming and bowling also were sponsored. The year closed with the second annual banquet of the Association, which was arranged by a special committee and had a large attendance. At this banquet suitable awards were formally presented by the Dean of Women to the girls and teams who had won them during the year.

No girl may play on a team or take other active part in any sport without first joining the W. A. A. This rule is for the purpose of keeping up interest in the organization and for assuring it of having sufficient funds to carry on its work properly.

<i>Secretary</i>	GRACE MAXWELL
<i>Treasurer</i>	ROBERTA WILLARD
<i>Conference Representative</i>	GLADYS BULL

The Y. W. C. A. was organized in 1924 for the purpose of meeting the need for an all-campus religious organization among the women students which would correlate and co-ordinate all the religious activities for the women of the University. In co-operation with the Y. M. C. A., the Y. W. C. A. assumes a major responsibility for the religious activities of the campus. This is a difficult task, but one that is so worthwhile that the Y. W. C. A. calls upon every girl upon the campus who wishes to help others build high Christian character, to join with them in carrying out their program.

Religious programs for this year will center in the Sunday Evening Vesper Service under the joint auspices of the Y. M. C. A. and Y. W. C. A. The discussions are held at 6.30 P. M. every Sunday in the University auditorium. Mrs. C. P. Close will also conduct a Bible Study group every Sunday at 9.45 A. M. in the College Park Church, which all women students are invited to attend.

I. LATE LEAVES

The attendance at any function which does not permit a girl to return to her dormitory by 7.30 P. M. before April 15, or by 8.00 P. M. after April 15, with the exceptions noted below, shall be considered a late leave. After a late leave a girl must return by 12.45 A. M. to her dormitory.

Late leaves per year shall be: Freshmen, 1 per month; Sophomores, 2 per month; Juniors, 3 per month; Seniors, 4 per month. Seniors without conditions or failures may take leaves at their discretion after April 1, provided they sign as usual. Seniors graduating in February and having no conditions or failures may take late leaves at their discretion after January 14, provided they sign up as usual. Freshmen and Sophomores may borrow and carry over their late leaves provided they do not exceed 2 a month for Freshmen and 3 a month for Sophomores.

All University functions may be attended without late leaves. This includes fraternity dances held in the Park during the week-ends and school dances held off the campus; it does not include fraternity dances held during the week.

School or fraternity dances held on nights before or on holidays do not require late leaves.

Girls returning from late leaves must go to their dormitories immediately.

No week-ends spent away from the campus shall count as late leaves.

Attendance to educational plays, etc., in town shall not be counted as a late leave.

Girls working after seven-thirty under Student Employment may stay out without taking a late leave. Example—taking care of the children of University people who live in the Park.

During examination week, girls may go home

if they have no examinations the following day and that will not count as a late leave. During final examination week in June, girls not having examinations following day may have 10.30 leaves.

Late leaves may be substituted for light-cuts, and if a girl returns early from a late leave she may use her light for the same purpose as a light-cut until 12.45 when her late leave is over.

Definite information must be put on slips when late leaves involves staying away all night. Girls are to sign their own late leave slips and give address of destination whenever possible.

Girls going home to vote must return to their dormitories by 10.30 Tuesday night or be penalized a late leave.

II. DANCES

It is understood that girls will return to their dormitories immediately after the close of all dances. No school dances count as late leaves so girls should return immediately after such dances.

Dancing on Sunday is forbidden by unwritten law.

Girls must return to dormitories by 12.45 after fraternity dances.

The chaperons for University dances, fraternity dances and sorority dances must be approved by the Dean of Women. No student in the dormitories may attend a non-college dance unless the chaperons have been approved by the Dean of Women.

III. FRATERNITY HOUSES

Girls may not go unchaperoned to fraternity houses.

SONGS AND YELLS

ALMA MATER

(Maryland! My Maryland!)

Thy sons and daughters throng thy door,
Maryland! My Maryland!
They come from mountain, farm and shore,
Maryland! oh Maryland!
Their hearts and hopes they bring to thee,
And place them in thy custody,
Proud hearts that pledge their love for thee:—
Maryland University!

Go forth, brave youth, throughout the state:
Maryland! My Maryland!
And by your actions, show her great:
Maryland! Our Maryland!
Thy Alma Mater's name and fame,
Oh keep alive her holy flame,
Until all hearts as one exclaim,
Maryland! My Maryland!

-Cheer, three times cheer, and one cheer more
For Maryland! Dear Maryland!
Send forth that cry from hill to shore:—
Maryland University!
Fair Mother of our brightest dreams,
Blest giver of life's precious things,
To thee each heart its service brings:—
Maryland! My Maryland!

MY MARYLAND

The despot's heel is on thy shore,
Maryland! My Maryland!
His torch is at thy temple door,
Maryland! My Maryland!
Avenge the patriotic gore,
That flecked the streets of Baltimore,
And be the battle queen of yore,
Maryland! My Maryland!

Thou wilt not cower in the dust,
Maryland! My Maryland!
Thy gleaming sword shall never rust,
Maryland! My Maryland!
Remember Carroll's sacred trust,
Remember Howard's war-like thrust,
And all the slumb'ers with the just,
Maryland! My Maryland!

Madelon

In the very heart of Maryland,
In the heart of every Maryland man,
There's a spirit so endearing
It will win your heart and hand.
For she doth hold sway,
She will win the day,
And her glorious men will ever win the fray.

Chorus

Then it's Hurrah! Hurrah! for Maryland.
Then it's Hurrah! Hurrah for U. of M.
With her banners ever streaming high,
She will always win or die,
Then we'll gather 'round Alumni,
And "Fight" will be our one reply,
For we love, we love Old Maryland,
Hurrah! Hurrah! Hurrah!

Who Owns This Team?

Who owns this team?
Who owns this team?
Who owns this team? the people say.
Why, we own this team.
Sure, we own this team.
Sure, we own this team.
M-A-R-Y—L-A-N-D—HURRAH!

Who'll win this game?
Who'll win this game?
Who'll win this game? the people say.
Why, we'll win this game,
Sure, we'll win this game,
M-A-R-Y—L-A-N-D—HURRAH!

Who owns this town?
Who owns this town?
Who owns this town? the people say.
Why, we own this town,
Sure, we own this town,
M-A-R-Y—L-A-N-D—HURRAH!

U. of M.

(Tune, Caisson Song)

U. of M., U. of M.,
Keep the ball away from them,
Keep that pigskin a-rolling along!
Up the field, down the field,
Not an inch of ground we'll yield,
Keep that pigskin a-rolling along!
Then it's Whiff! Wham! Whack!
Hear that Maryland quarterback
Shout out his signals loud and strong!
Where'er you go, you will always know
That the pigskin is rolling along,
(Shouted) Maryland! Maryland!
Keep that pigskin a-rolling along.

Sons of Maryland

(Tune, Sons of America)

Sons of the Gold,
Sons of the Black,
Fight! No spirit lack.
Your Alma Mater
Needs you today
To help her win the fray.
Shoulder to shoulder,
Back to back,
We'll fight together
For the Gold and Black.
Fair Sons and Daughters
Of Maryland,
Upon you all vict'ries stand.

Chorus

Sons of Maryland,
Old Maryland needs you!
Stand by your colors, boys,
And to them e'er be true!
Fight for old Maryland,
Old Liners! Stand,
Defenders of the Black and Gold
Throughout this land.
Team! Team! Team!

Here's to Old U. of M.

Here's to old U. of M.,
We're out to win again,
Come, give a rousing cheer,
And press on to Victory,
For we're out to win this fray,
We'll show ————— how to play,
For our boys will fight to the end
For U. of M.

Bingo

Bingo, oh, Bingo,
Bingo, Bingo, Bingo.
That's the lingo,
U. of M.
Is out to win again
And ————— chance is very, very slim,
Bingo, oh, Bingo,

That's the cry.
Fight, Fight!
Fight with all your might
For Bingo, U. of M.
